Bewerbungsmodalitäten

We have an ERASMUS partnership with EPHEC and a certain number of exchange places per semester. You can apply for these places.

The ERASMUS application procedure is divided into three sections:

Step 1: Application to the EBC Hochschule

You apply to us for a place at university and for the ERASMUS scholarship. Please register at the International Office and hand in the following documents:

- Letter of motivation in English (one page maximum); include up to two alternative ERASMUS partners in the last paragraph of your cover letter, in which you would be interested if we had to cancel your first request.
- Performance record of the EBC Hochschule (via the virtual campus)

The best applications will be selected from all applicants of the EBC Hochschule, it includes academic achievements, language skills and the quality of your motivation letter, in which you show that you have dealt with your desired university.

We will inform the selected students by email and ask them to explicitly accept their place. If you accept the place, we will nominate you at the partner university and only then will you apply with the regular application documents for the university, see step 2.

If you have received a rejection, you will automatically be placed in the procedure for moving up to the alternative universities of your choice or we will endeavour to offer you an alternative. We will then send you an offer by email. Once you have accepted the offer, we will nominate you with the partner and only then will you apply to this university with the appropriate documents (see step 2 below).

Step 2: Application to EPHEC

After the EBC Hochschule has nominated you for EPHEC, please submit the following documents to the International Office, which will forward them to you:

- Letter of application in English (Motivation & Expectations)
- Curriculum vitae with photo (in English)
- [Guest Student Info Sheet](#)
- [Learning Agreement](#)

Step 3: Online registration

After the IO has forwarded your application to EPHEC by email and post, you must register [online](#). This step is mandatory.

Students who have not registered by the EPHEC application deadline will not be accepted.

Anerkennung

Credits

At least 20 ECTS must be completed successfully during the semester abroad for recognition at the EBC Hochschule.

Learning Agreement (LA)

Along with your application, you submit a Learning Agreement (LA) on which you enter courses or modules amounting to at least 20 ECTS credits that you would like to take. The number of credits per course varies between countries and universities, so make sure you get accurate information. The International Office will confirm your selection and ask for adjustments if necessary. The LA forms the basis for the recognition of courses at the EBC University and has therefore binding force.

Transcript of Records (ToR)

Your Transcript of Records, the semester abroad, proves that you have successfully completed the course. You present the original transcript to the International Office after the semester abroad.

Conversion

The average of your performances is calculated according to the modified Bavarian formula. 20 ECTS are hereby recognised and are included in the overall grade of your studies.

You can find further information on conversion [here](#).
